1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-10 are rejected under 35 U.S.C. 102(b) as being anticipated by Schmitz et al. (5,145,068), Bray (4,869,364), Graetz et al (4,407,410) or Nickolaus et al. (6,199,559 wherein the claimed tray reads on the insert, as shown for example only, in fig 4.)

3. The claims are objected to because the second page of the claims includes the numeral 11 (after claim 10) with no claim attached thereto. Correction/clarification is required.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacob K. Ackun Jr. whose telephone number is (571)272-4418. The examiner can normally be reached on Monday through Friday 8.30AM-5.00PM.
